

**Advisory for Indian students seeking admission to
colleges/institutes in Malta**

It has come to the notice of High Commission that fake admission letters are being issued by some unscrupulous individuals in the name of some educational institutes in Malta informing about offers of admission etc.

High Commission of India advises all Indian students looking for admissions to any educational institutes/colleges in Malta **to carefully check any admission letter received by them and verify the genuineness of the letter directly with the concerned institute before moving forward for payment of any fees etc.**
