THE GES ADVANTAGE

Global Exhibition on Services

- It is a **Global Platform** for increasing trade in services, enhancing strategic cooperation and strengthening multi lateral relationships between all stakeholders.
- Opportunity to understand the potential for services exports and to increase FDI flow in the sector.
- **Showcase for services sector industry** to interface with world statesman, business leaders, academia, policy makers and media leaders
- **Networking Opportunities** with businesses from across the world
- **Avenues Partnerships** through B2B, B2G & G2G meetings
- Participation by **Start-ups, Innovators & MSMEs**

GES THROUGH THE YEARS

Seeking to give the India services the global visibility and to simultaneously encourage trade in services at the global scale, GES was created as a dedicated platform to engage industry and governments across the world to promote greater exchange of trade in services.
